R4 Alliance – Application Instructions

Thank you for your interest in joining the R4 Alliance family of members serving Our Military Family. Please note, none of the application questions are intended to automatically qualify or disqualify applications. The application is simply a means for R4 Alliance to become more familiar with applying organizations as we consider new membership.

To help you through the application process, below are some instructions and helpful hints to help prepare you for filling out the online application. The online application does not give you a full view of all the questions we ask. If you would like to see a full list of questions, please open the PDF attachment on the membership page of our website.

Application Tips

- If you exit the application before it is complete, your information will automatically be saved
- To return to a partially completed application you must use the same computer / IP address
- You can use the BACK button to return to a previous page • You have 2 weeks from the start date to complete the application
- We anticipate this application will take about 30 minutes to complete
- Once your application is submitted, a member of the R4 Alliance team will reach out to you
- After you submit the application, you will receive an email requesting: IRS 990, Annual Report, and any other collateral you would like us to review

Thank you again for your interest in joining R4 Alliance, and especially for all the great work you do to rehabilitate and reintegrate Our Military Family. If you have any questions regarding this application, or about R4 Alliance in general, please contact me any time using the information below.

Respectfully,
